Application/Control Number: 10/053,758

Art Unit: 1642

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CAR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submissions filed on January 9, 2006 and January 27, 2006 are acknowledged and have been entered. Claims 21-22 have been canceled and new claims 27-29 have been added. An action on the RCE follows.

Page 2

- 2. In the amendment filed January 9, 2006 Applicant asserts that SEQ ID NO:67 is entitled to priority at least to April 18, 1997 and April 25, 1997 since SEQ ID NO:67 corresponds to the SEQ ID NO:67 of both USSN 08/844,419 and USSN 08/846,017 filed on the cited dates and requests Examiner to consult the files rather than providing Examiner with page and line number supporting the instant claims drawn to SEQID NO:67. In response to Applicant's request Examiner has indeed consulted the files and found that the instant SEQ ID NO:67 is found in both USSN 08/844,419 and USSN 08/846,017, however, nothing in either application supports claims drawn to an antibody that binds to SEQ ID NO:225 but not to SEQ ID NO:67 or to a monoclonal antibody obtainable by immunizing a non-human with SEQ ID NO:67 or a monoclonal antibody that binds to SEQ ID NO:67 but not to SEQ ID NO:68. The previously assigned priority date therefore stands. Applicant is invited to submit evidence pointing to the serial number, page and line where support can be found establishing an earlier priority date for the instantly claimed invention.
- 2 Claims 1-8, 23, 25 and 27-29 are pending and currently under examination.

Art Unit: 1642

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

- 4. It is noted that a review of
- 5. The following rejections are being maintained:

## Claim Rejections - 35 USC, 112

6. Claim 23 remains rejected under 35 USC 112, first paragraph and claim 29 is rejected under 35 USC 112, first paragraph for the reasons previously set forth in the action mailed August 10, 2005, Section 6, pages 3-4.

Applicant, in the paper submitted January 9, 2006, reiterates arguments drawn to *In re Johnson*. The arguments were previously considered but not found to be persuasive for the reasons of record.

Applicant, in the paper submitted January 27, reiterates and amplifies arguments drawn *In re Johnson*. The arguments were previously considered but are not found to be persuasive because for the reasons of record, *In re Johnson* is not relevant to the instant claims.

- 7. Claims 1-8, 25, 27-28 appear to be free of the art and allowable.
- 8. All other objections and rejections recited in the previous Office Action are hereby withdrawn.
- 9. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan Ungar, PhD whose telephone number is (571) 272-0837. The examiner can normally be reached on Monday through Friday from 7:30am to 4pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey Siew, can be reached at 571-272-0787. The fax phone number for this Art Unit is (571) 273-8300.
